

## Nail Services

### Spa Manicure

Enjoy an aromatherapy soak, followed by a cuticle and nail treatment. Your hands will be wrapped in warm towels to relax the joints, and an anti-aging masque is applied to penetrate the deeper layers of skin. After a great hand massage, your nails are painted with your choice of color.

### Spa Pedicure

Soothe tired, aching feet in an aroma therapeutic foot bath, followed by a foot scrub for an unparalleled exfoliation of rough, dry skin. Top off this rejuvenating foot treatment with a cooling foot masque, warm towel wrap and massage, finishing with an artistic splash of color!

French Finish  
Polish Change
